

ed, containing the sister of the
ed, Mr. Doherty, the Rev. Mr.
n, P. P., Templeberry, and Mr.
M riu, one of the convicted
is" of 1918. After this couch
d the Rev. Patrick L. veile, P.
rtry, two other priests, and so-
men. Then came the American
tion and the various religious

They followed by "the ladies," entered in great force, and made a very creditable appearance and demeanor. The ladies followed to contain of Mr. South Q'B'ian and the O'D-M-P. The n follow about a carriage and a line of cars and cabs.

At the spot where Emmet was shot, in Thomas street, all the artists took off their hats. It was five o'clock, and rather dark when they arrived at Glusier's where they arrived. They delivered an address which he said the events of the day and memorable day at the

Mr. Smyth, the chairman of the American Committee, also deli-

attitude, in which he insisted
that in America most of the
feelings of the Irish at home
springing the cause of M-M was
across the Atlantic, and the
the A's anti-anti, and if the
home refused to honor his
he would have to go to the
of "domestic" affairs. But they
themselves still true to the
of Mc-Manus died, as they
thought of that day roused. The
were not quite cooled down
at six o'clock. There was no
end of the pace.
